

Therm Line Cellu Fast

food suplement

Therm Line® cellu fast balsam. It helps to reduce cellulite and fatty tissue, actively shapes your body, soothes and strengthens the skin.

This product is based on warming effect of capsaicin and the synergic effect of complex active ingredients, thus being the perfect solution to the problems with cellulite, redundant folds and too curvy shapes. Ingredients actively remove lipids, stored in the deep skin layer while preventing the formation of new fat cells and improve skin elasticity.
